## TANJUNG PUTING (3D2N) : Visiting Relative

### Day 1 Pangkalan Bun - Kumai - Proboscis Tour - Tanjung Harapan Camp (-/L/D)

Upon arrival in Pangkalan Bun you'll be transfer to Kumai for boarding to the Kelotok. Cruising to Sekonyer River, you'll see the estuarine habitat with unique vegetation called mangrove. Your first stop is Tanjung Harapan Camp to watch Orangutan feeding at 15.00 o'clock. After watching Orangutan, then cruising down stream for watching group of Proboscis monkey, the endemic primate in Borneo, Long-tailed Macaque, Redleaf Monkey, Silvered Langur or bird life along the riverside. In the evening, experience the night trekking to see the nocturnal wildlife.

### Day 2 Pondok Tanggui - Camp Leakey - Houseboat (B/L/D)

After having breakfast, we will visit to Pondok Tanggui, Orangutan feeding will be 09.00 in the morning. Next destination is Camp Leakey, the legendary Orangutan Rehabilitation Camp built by Prof. Birute MF in early 1971. Boating a side creek through tea coloured water where you will see the magnificent reflection from the vegetation along the river. After having lunch and departing in Camp Leakey, we can spend the rest of the day by hiking through the Borneo rain forest, then enjoying Orangutan feeding time at 14.00 pm. Enjoy your rest time by sleep overnight in the Kelotok beneath a million of fireflies which sparkle like a Christmas tree.

### Day 3 Kumai - Airport (B/-/-)

Morning breakfast on the boat then boating down the river back to Kumai. Direct land transfer to airport for your outbound flight.
