Day 3 : Mount Bromo Sunrise - Bayuwangi (B/L/D)

At around 1:00am, you will get pickup for Mount Bromo trip. To reach this majestic mountain we will be using off road 4x4 transport. At around 3:30am we will arrive at the drop point where we will do short trekking to the Mount Penanjakan which is the best spot to see the sunrise. The morning glory is coming with amazing surrounding view as well as fresh air. At around 6:00am, we will walk back to the drop point here you can have the option to wandering around t the sea of sand which is the mountain crater or enjoy horse riding. After breakfast, we will go back to the hotel for check out and five hours drive to Bayuwangi. Lunch en route and arrive in the afternoon for early rest.

● Day 4 : Ijen - Bayuwangi Airport

At around 01:00 am, our team will pick you up to start the adventure. On the way to Mount Ijen, we will pass through one of the few remaining rain forest on the island of Java with giant ferns, plants & big trees. Once arrive, we will start ascend slope of mount Ijen to reach peak of the crater and along the path, you can enjoy the stunning natural scenery. Later while waiting for sunrise at an altitude of 2386 meters we can see the infamous eternal blue fire dancing in front of our eyes. You can spot the sulfur mining workers go up and down into the crater through steep path on the edge of the crater with loads as heavy as 80 kilograms on their shoulders. Once the sun have gone up we will start to descend the slope of Mount Ijen until vehicles based. Breakfast en route at local restaurant then arrive back to hotel for packing and check out. Later drop to Bayuwangi airport to catch your next flight.
